

DIABETES

TESTING SUPPLIES

Diabetes supplies are now offered as part of the HealthEZ Diabetes program. The following diabetes supplies will be provided at no cost.

This includes:

- Glucose meter
- Testing strips
- Control solution
- Lancets
- Lancing devices

As part of the program, you will be matched with a health coach that will assist you in better managing your diabetes, help set you up with in-network doctors and answer any other question you may have.

If you are interested in participating in the diabetes coaching program, please reach out to the LivEZ team at LivEZ@healthez.com or call 1-800-948-8824.
